

Sección transversal por auditorio / Cross section through auditorium

Sección transversal por patio / Cross section through courtyard

This is a vertical photograph of a dark interior scene. In the foreground, the dark keys of a piano are visible at the bottom. A bright beam of light illuminates a portion of the floor and a wicker chair in a room beyond a window. The window has horizontal blinds that are mostly closed, appearing as dark horizontal bands across the middle of the frame. The overall atmosphere is dim and moody.
